Three of our wines carry the name Heideboden, that reflect the favourable climate and vineyard sites of the Seewinkel wine region in their most expressive form. Heideboden white, red and sweet combine aromas and richness with fine freshness.

Heideboden Süß is the sweet interpretation of a wine that is fresh and vibrant, and offers generous sweetness, coupled with invigorating freshness; enticing with longevity. Intense aromas and taste of peach and white pepper, lychee and juicy pineapple over citrus notes and white chocolate. Heideboden sweet pairs superbly with Austrian pastries and fruit desserts, but would also complement foie gras, game pâté and a board of mature cheese.
